

9 June 1976

NOTE:

STATINTL

I talked to [REDACTED] this week about getting on with this exercise. [REDACTED] replied that he would like to but is inundated with Abzug requests, certain FOIA matters, and he simply has not had time to get to this matter.

3. Also attached is a copy of [REDACTED]
[REDACTED] s memo on serving food and beverages at the Headquarters building for which reimbursement is received from the visiting group. Note the underlined portion of paragraph 3, which would seem to nullify our concern that application for the employer's identification number would automatically alert the State to collect appropriate taxes.
